OFFICE OF THE SECRETARY OF DEFENSE
WASHINGTON, D.C. 20301

May 13, 1968

Dear Mr. Rowen:

As you know, several members of your staff have been participating in a Special Task Force in the Immediate Office of the Secretary of Defense. Those involved were: Daniel Ellsberg, Melvin Gurtov, Gustave Shubert, Lt Colonel William E. Simons, and Hans Heymann.

Dan Ellsberg was extremely helpful in preparing and advising on a whole range of papers for the Task Force; Mel Gurtov was responsible for getting us started on a number of earlier papers. Gus Shubert wrote two monographs; Lt Colonel Simons wrote three papers of especially high quality; and Hans Heymann produced a very important and quite well-done monograph.

Without the participation of these men and their talents, our task would have been impossible. My deepest appreciation to you for making them available.

Sincerely,

Leslie H. Gelb
